**About Element Lifestyle Retirement**

Element was established in June 2013 in Vancouver, British Columbia. It is in the business of providing specialized development expertise and flexible, innovative management services for senior retirement communities. The core business of Element is the development and management of third party assets in the "senior retirement community" space. Element aspires to be one of the most respected senior living specialists in North America, and to revolutionize the perception and experience of retirement and aging. Its brand differentiator, setting Element apart from others in the retirement industry, is the integration of two unique models: the "Continuum-of-Lifestyles" and "intergenerational living", encompassing a smooth, seamless transition for seniors from independence to assisted living to complex care, and programming to actively facilitate connection of residents to their families. The management team of Element, collectively, has over 50 years of experience developing and operating retirement communities.
